

DRINKING PROBLEM? WE CAN HELP.

- If you have a problem with alcohol and need support to help stop drinking, help is available.
- Local groups of Alcoholics Anonymous have paused in-person meetings due to COVID-19, but we are continuing our regular meetings through online video conferencing.
- We encourage you to join us for our online meetings so that we can support you on your path to recovery.
- You do not need to provide your last name or any identifying information to participate in the online meetings.
We respect the anonymity of all participants.
- Participation in our online meetings will help ensure that you are connected with local AA groups so that you are familiar with the meetings and members when we return to regular meetings.
- Call **1-908-687-8566** or contact us by email at **D14OnlineMeetings@gmail.com** to connect with a local member of AA and obtain information regarding these online meetings.
